

Jun Ichikawa

Composer / Music Producer

CEO, Julydex Co., Ltd. | B.Mus., Composition - Tokyo College of Music
Lecturer (Composition), Senzoku Gakuen College of Music

Jun Ichikawa is a Japanese composer and music producer specializing in music for animation, video games, film, and other visual media, with additional work across stage productions, musicals, vocal music, commercial jingles, and television background music.

He is known for crafting catchy, emotionally clear melodies across a wide range of genres. Highly adaptable to each project's creative needs, he combines a strong melodic sensibility with flexible scoring across orchestral, pop, electronic, acoustic, and Japanese-influenced styles.
